Family Portraits Fundraiser

My name is Mark Swirsky, a professional photographer located in Pittsfield, specializing in weddings and portraiture in the Berkshires and surrounding areas for over 35 years. I frequently offer my services to benefit organizations through fundraisers, so please take a couple of minutes to read further...

This is a rare opportunity for you to have premium family portraits taken at a reasonable cost, while supporting your school at the same time! **Your investment is only \$50** for a photo session. The session is usually photographed at one of our local lakes, or you may opt to be photographed at your own home for \$100 (a small travel fee may apply if you live outside of Pittsfield). **Your school will receive \$25 in either case!** Any number of family members may be included in the session, and individual photos of each family member as well as complete group shots can be taken. Within a few days of the photo session you will receive an email with a link to your private web page to view your proofs and order prints, mugs, t-shirts and many other gift items.

These portraits will be enjoyed in your home, make great gifts for family and friends, and can be used as a class yearbook photo for your student!

Prints are delivered right to your home usually within a week or so after placing your order.

To schedule an appointment or for more information, please contact Mark Swirsky Photography at 413-442-6411 or by email: msphotos1@me.com
